**Reading**

**8 Read about Rick Allen. Answer the questions.**

My hero is Rick Allen. Rick was born in 1963 in Derbyshire, England. When he was 15 he became the drummer with the rock band *Def Leppard*. One night he was driving home when he had a car accident. At the hospital the doctors cut off his arm at the shoulder. He was 21 years old.

Rick didn't stop playing the drums after his accident. He designed a special drum kit and he learnt how to play with only one arm. He still plays with *Def Leppard* today and the band is very successful. In 2000 he set up an organisation to help young people.

Rick is my hero because he didn't stop playing the drums. I think he's an inspiration for all musicians and young people around the world.
